British Periodicals.

EARLY COPIES SECURED.

BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

LLONARD SCOTT & CO., New York, continue to republish the following British l'eriodicals, viz: THE LONDON QUARTERLY (Conservative). THE EDINBURGH REVIEW (Whig). THE NORTH BRITISH REVIEW (Free Church). THE WESTMINSTER REVIEW (Liberal).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the basuly written news-items, crude speculations, and flying rumors of the duily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their wellestablished literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The Arrangements are now permanently made for the rescipt of Early Sheets from the British Publishers, by which we are enabled to place all our Re-prints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz:—
